BDM International is a prestigious co-education CBSE English Medium School located in Kolkata, West Bengal. Since its inception on 1st May 1966, B.D.M. International has been committed to setting a new benchmark in education, offering a unique teaching methodology, and providing the finest learning experiences to its students.

Founded by (Late) GN Khaitan and (Late) Draupadi Devi Khaitan, B.D.M. International aims to impart knowledge and guide budding talents in the right direction. Over the years, the school has gained the trust and support of parents, growing into a vibrant community of over 7000 students.

At B.D.M. International, learning is not confined to the boundaries of traditional education. We believe in blending academics with practical knowledge, providing students with a multidimensional and experiential environment. Our curriculum

is designed to encourage students to play, perform, experiment, and interact, fostering holistic development.

While academics form the core of our educational program, we also place significant emphasis on sports and arts. We believe that tomorrow's leaders need to be analytical, creative problem solvers, capable of adapting to any challenging environment. Through sports and arts, students develop essential life skills such as teamwork, discipline, and resilience.

Our goal is to nurture individuals who are mentally alert, morally sound, and emotionally well-balanced to face the challenges and adversities of the world. We strive to create curious and reflective learners who embark on a journey of self-discovery while remaining aware of both local and global environments.

At B.D.M. International, we foster an attitude of excellence. We encourage our students to set high standards for themselves, constantly pushing their boundaries and striving for personal growth. We believe that excellence is not just about achieving top grades but also about developing a strong work ethic, a sense of responsibility, and a commitment to lifelong learning.

Our dedicated team of experienced educators works tirelessly to create a nurturing and inclusive learning environment. We understand that every child is unique and has different learning needs. Hence, we adopt a student-centric approach, providing individual attention and personalized support to ensure that each student reaches their full potential.

As a CBSE affiliated school, we follow a comprehensive and well-structured curriculum that aligns with national educational standards. Our teaching methodologies are innovative and interactive, making learning enjoyable and engaging for our students.

At B.D.M. International, we also prioritize the overall well-being of our students. We have a range of co-curricular activities and clubs that cater to their diverse interests and talents. These activities not only enhance their skills but also promote their physical and mental well-being.

We take pride in our state-of-the-art infrastructure, which includes well-equipped classrooms, laboratories, libraries, and sports facilities. Our campus provides a safe and conducive learning environment, inspiring students to explore their passions and develop a lifelong love for learning.

In conclusion, BDM International is not just a school; it is a place where young minds are shaped, nurtured, and prepared for a bright future. With our commitment to excellence, holistic development, and personalized attention, we strive to empower our students to become confident, compassionate, and successful individuals who can make a positive impact on the world.
