IIFL Capital Presents JITO Connect 2025: Celebrating Entrepreneurship, Innovation, and Community Leadership

Category: Business
written by International Khabar | October 3, 2025

IIFL Capital (www.iiflcapital.com/hni-wealth), one of India's leading wealth management firms, has partnered with the Jain International Trade Organisation (JITO) to present JITO Connect 2025, a flagship initiative designed to foster networking, collaboration, and growth among Jain professionals, entrepreneurs, investors, and community leaders. The three-day conclave, to be held from October 3-5, 2025 at Hitex, Hyderabad, is likely to draw over two lac participants from across India and overseas for a high-powered exchange of ideas, inspiration, and opportunities.

IIFL Capital presents JITO Connect 2025 in Hyderabad, a 3-day conclave celebrating entrepreneurship, innovation & legacy building

A Platform for Growth and Legacy

With its philosophy of "**transforming wealth into legacy,**" IIFL Capital brings its expertise in wealth creation, financial insights, and investment opportunities to JITO Connect 2025. As a firm managing $30 billion in assets under advice, management, and custody, IIFL Capital will engage participants through keynote sessions, panel discussions, and thought leadership around capital markets, innovation, and the future of wealth.

Commenting on the partnership **Shri. Mr. R Venkataraman, Managing Director at IIFL Capital** said, "*JITO Connect has grown into one of the most impactful platforms for our community of entrepreneurs and investors and beyond-bringing together leaders, innovators, and change makers. At IIFL Capital, we believe that true wealth is built not only in financial markets but also through the values of entrepreneurship, integrity, and collaboration. Our goal is to empower families and entrepreneurs to convert wealth into a lasting legacy*."
