

Aditya Pareek Leads AP Group into a New Era of Global Innovation and Spiritual Design Integration

Category: Business

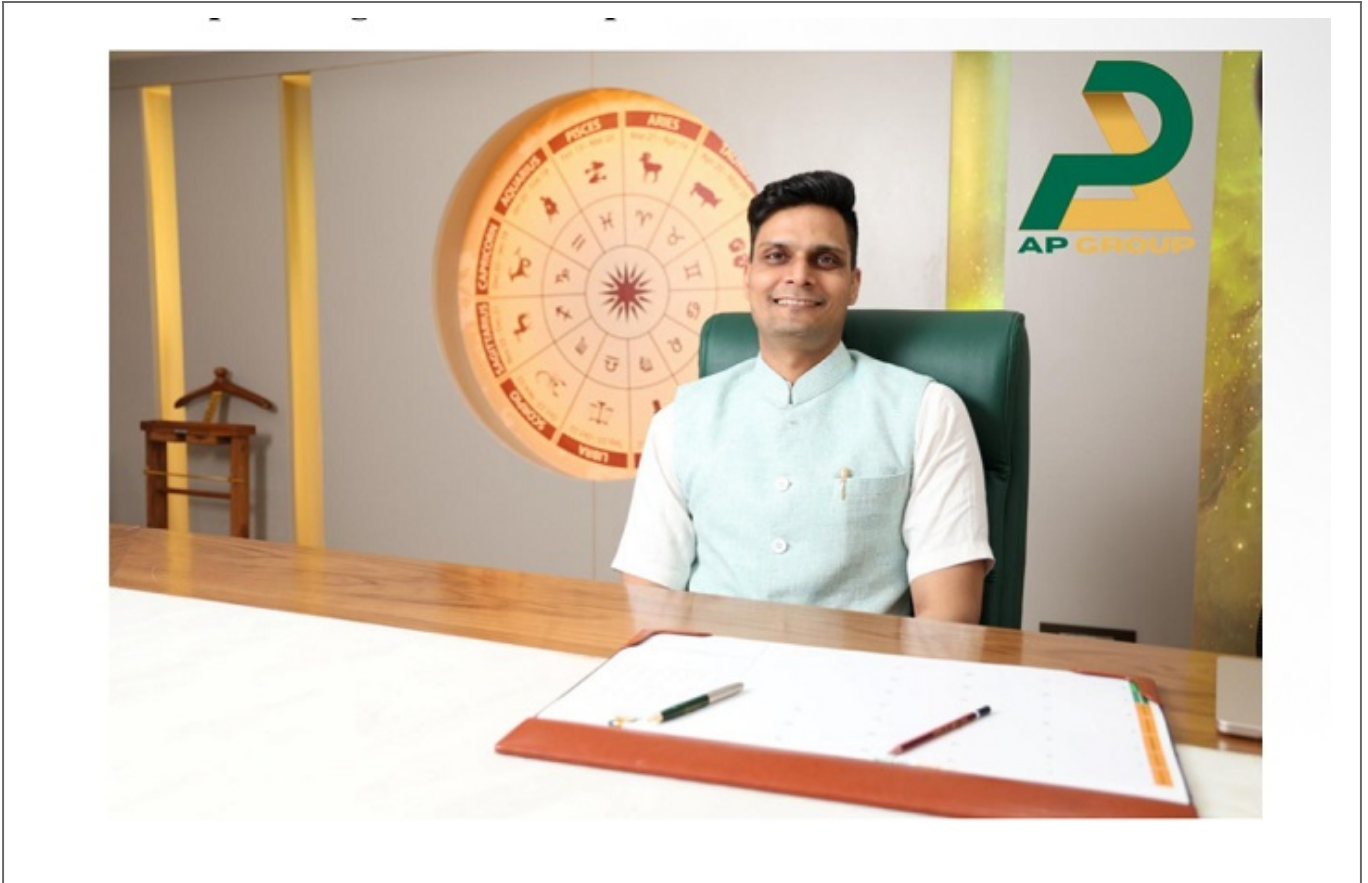

written by International Khabar | May 5, 2025

Under the visionary leadership of Aditya Pareek, Founder and CEO of AP Group, the company has emerged as a global powerhouse in multidisciplinary solutions, seamlessly blending infrastructure, technology, design, and spiritual insight.

Established in 2011, AP Group was born out of Aditya Pareek's foresight into India's infrastructure revolution. With a robust academic background in Information Technology and Civil Engineering, Pareek anticipated the country's evolving needs and strategically built a business that today operates across several industries with a consistent client satisfaction rate

of 99.78% across over 8,500 projects.

Aditya Pareek, Founder and CEO of AP Group

What differentiates Pareek's leadership is his unique integration of ancient Indian sciences with contemporary design. A fourth-generation astrologer and vastu expert, he launched **Astro VaastUpaay**, a flagship vertical that fuses traditional astrological principles with modern architecture and interior design. This rare blend of science and spirituality aims to create harmonious, energy-aligned environments for homes and workplaces alike.

AP [Group's expanding](#) portfolio includes several specialized ventures:

- **AP Interior and Design Pvt. Ltd.** – [Offering personalized](#) design solutions across residential, commercial, and industrial projects with turnkey expertise.
- **AP Dream Land and [Developments Pvt. Ltd.](#)** – [Creating vastu-aligned residential](#) and commercial properties with

a modern edge.

- **Fivetech** – Delivering scalable, next-generation IT services.
- **AP Glamray Solutions Pvt. Ltd. – Providing end-to-end infrastructure services**, including CCTV, fire safety, HVAC, electrical, and solar systems.
- **AP Printing Solutions** – Advanced printing for corporate and creative needs.
- **Astro VaastUpaay by Aditya Pareek Pvt. Ltd.** – Offering tailored vastu, astrology, and palmistry services.
- **Glamray Solutions** – Specialized in high-performance solar, generator, and inverter systems for industrial and residential sectors.

â

Beyond [business](#), Pareek is actively involved in sustainability initiatives and philanthropy. His commitment to eco-conscious practices drives several of the group's operations.

In a recent highlight, spiritual leader **Shree Dhirendra Krishna Shastri** visited Gurugram for the inauguration of the Anjani Putra Hanuman Mandir, where he met with Aditya Pareek and discussed Vastu insights for a forthcoming cancer hospital project.

With a rare combination of [business](#) acumen, design brilliance, and spiritual grounding, Aditya Pareek continues to steer AP Group toward its mission: building a world where innovation and harmony coexist.
