

# Ai+ Smartphone Reveals Festive Prices for Flipkart Big Billion Days

Category: Business

written by International Khabar | September 19, 2025

Ai+ Smartphone has announced special festive pricing for its two models, exclusively during Flipkart Big Billion Days. **Ai+ Pulse (4G)** will be priced at **Rs. 4,499\***, down from **Rs. 5,999**, while **Ai+ Nova (5G)** will retail at **Rs. 6,999\***, down from **Rs. 8,999**. Prices go live with 24-hour early access for Flipkart Plus and Black members **starting September 23**.

## **Ai+ smartphone**

Both phones feature a 6.7-inch HD display with high refresh rates (Nova 120 Hz; Pulse 90 Hz), a 50 MP AI dual-camera system, and a 5000 mAh battery for all-day use. They also include a side fingerprint sensor, expandable storage up to 1 TB, and come in vibrant colours: Black, Blue, Green, Pink, and Purple. Powered by NxtQuantum OS, India's sovereign mobile operating system, the devices deliver privacy, security, and everyday performance tailored for users.

This festive season, Ai+ smartphone is a strong gifting choice for people who want world-class performance, bold design, and sovereign data privacy in one seamless device. With these special prices, Pulse and Nova are within reach for more families, designed to delight every member of the household.
