

Amazon MX Player's Playground S4 Sets a New Viewership Record

Category: Business

written by | December 10, 2024

Amazon MX Player, Amazon's free video streaming service, continued to break new viewership records for the fourth season of its popular reality show – **Playground**. The latest season drove 32 million views, which solidified the franchise's standing as India's leading gaming reality show. Playground S4 brought together a group of popular contestants, with intense battles over two months, with Elvish Yadav's BT Android team emerging as the finale winner.

Amazon MX Players Playground S4 [Sets a New Viewership Record](#)

From its debut episode, Playground S4 kept audiences hooked with unique gaming challenges and fierce battles between contestants.
