### **Aster DM Healthcare delivers steady Q3 FY26 performance**

Commenting on the performance for Q3 FY26, **Dr. Azad Moopen, Founder and Chairman, Aster DM Healthcare**, said, “As we move

*closer to the completion of merger between Aster and Quality Care India Limited, the proforma performance of the combined platform remains encouraging. On a proforma basis in Q3 FY26, revenues grew by 15% YoY to Rs. 2,366 Cr and operating EBITDA increased by 22% YoY to Rs. 503 Cr. The combined performance remained largely consistent throughout the three quarters of FY26, supported by strong patient volumes and improving case mix.*

*Over the past year, the combined entity has added over 560 beds, taking the combined capacity to 10,620 beds across 28 cities, with a pipeline of more than 4,000 additional beds to support long-term growth. With continued focus on strengthening clinical talent, leadership depth, and execution excellence, we remain well positioned to deliver sustainable expansion and provide high-quality, accessible healthcare at scale.*

*We are also pleased with the progress made on the merger and are confident of shareholders' approval pursuant to the NCLT order marking an important step in toward creating a scaled, integrated healthcare platform to become the top 3 hospital chains in India."*

On Q3 FY26 performance of Aster DM Healthcare, **Dr. Moopen** said, "We have delivered a steady performance with revenues increasing 13% YoY to Rs. 1,186 Cr and excluding the impact of the newly commissioned Kasargod facility, operating EBITDA grew 17% year on year, with margins expanding to 20.2%, reflecting strong operating leverage and cost management."
