

Award-Winning Interior Designers in Bangalore – Chattels Design Announces New Experience Center in JP Nagar

Category: Business

written by International Khabar | September 19, 2025

Chattels Design, Bangalores award-winning interior design company, and one of the leading [Interior Designers in Bangalore](#) is proud to announce the launch of its brand-new Experience Center in the heart of JP Nagar. This milestone reflects the firm's commitment to innovative, highly personalised homes supported by technology, craftsmanship, and customer-centric service. With established branches in Whitefield and Hebbal, this JP Nagar Experience Center becomes Chattels Design's third location in Bangalore, expanding its reach and accessibility across the city.

Step inside the JP Nagar Experience Center to witness Chattels Design's premium quality, creative innovation, and expert craftsmanship for personalised interiors

Recognised for Excellence

Recently honoured as “**Iconic Luxury Interiors Brand of the Year 2025**” at the India Design Awards and “**Most Innovative & Futuristic Interior Design Firm of the Year 2023**” at the Architecture and Interior Design Excellence Awards, Chattels Design continues to set new benchmarks in luxury and creativity.

Built for Quality & Timely Delivery

With two state-of-the-art in-house manufacturing units, the company ensures uncompromising quality and on-time project delivery, an assurance that sets it apart in the industry.

A Step Into the Future of Interior Design

Launched in July 2025, the Experience Center offers Virtual Reality-based home tours, curated material libraries, and one-on-one design consultations. Visitors can explore green products, modular concepts, and trend-forward interiors. From designing an ideal home to sampling bespoke furniture, every

square inch of the center is designed to enlighten and inspire.

Explore, Visualise, and Design at Our Experience Center

- Professional lifestyle-aligned design consultations.
- VR Home Interior Experience for immersive visualisation
- One-App Customer Support for real-time updates and communication.
- 100 % customised home interior design solutions.
- Walk-throughs of living rooms, modular kitchens, master bedrooms, and wardrobe installations.
- Smart-home integrations and free quotation within 24 hours.
