Axis Max Life ranked amongst Best Workplaces for 11th consecutive year by GPTW Institute

Further strengthening its credentials as an employer of choice, Axis Max Life has also been featured in the 'Top 25 Best Workplaces in BFSI 2025', the 'Top 50 Best Workplaces for Building a Culture of Innovation by All 2025', and the 'Top 50 Best Workplaces in [Health & Wellness 2024-25](#)'. These accolades reflect the organization's holistic and people-centric approach to workplace excellence, prioritizing trust, care, and empowerment across every level.

Shailesh Singh, Senior Director and Chief People Officer, Axis Max Life, remarked, *"We are truly honoured to be recognised by GPTW across multiple impactful categories. These recognitions are a testament to our sustained commitment to fostering a workplace where every employee feels valued, empowered, and inspired to thrive. At Axis Max Life, our people agenda is deeply anchored in trust, innovation, and holistic wellbeing – pillars that continue to shape a culture of purpose, performance, and progress."*

The Great Place to Work certification process involves a comprehensive evaluation of workplace culture, based on two core parameters: the Trust Index™ Survey (75% weightage), which captures the employee experience, and the Culture Audit™ (25% weightage), which assesses organizational values, leadership effectiveness, and people practices. This rigorous methodology ensures recognition is firmly rooted in authentic employee insights.

About Great Place To Work

Great Place To Work is a global leader in workplace culture, helping organizations create a consistently and overwhelmingly positive employee experience. The certification recognizes organizations where employees trust their leaders, take pride in their work, and enjoy strong camaraderie with colleagues—regardless of role, location, or background. At the core of the evaluation is the Trust Index™ Survey, a globally recognized tool that assesses employee experience, leadership effectiveness, and workplace culture. Companies that achieve this certification gain a benchmarked view of the key drivers of a great workplace. These insights enable organizations to unlock employee potential, boost productivity, and drive stronger [business](#) outcomes.
