

Bajaj Markets and CRIF High Mark Partnership to Boost Credit Reach for Indian Consumers

Category: Business

written by International Khabar | February 14, 2025

Bajaj Markets, a digital financial marketplace, has partnered with CRIF High Mark to help individuals gain deeper insights into their credit behaviour. In accordance with this, individuals can get their credit score on Bajaj Markets from CRIF High Mark for free. This can help borrowers understand their eligibility for various credit products better and choose options that best suit their needs.

Boost to [Credit Reach](#) for Indian Consumers

The [CRIF High Mark score](#) ranges between 300 – 900. A higher score signifies better creditworthiness, leading to a lower lending risk being associated with the individual. Some of the major elements taken into consideration to determine an individual's CRIF Highmark [credit score](#) include the following:

- Credit utilisation ratio
- Credit applications
- Credit mix
- Credit payment history
- Number of open and closed credit accounts
- Total outstanding debt

Checking the CRIF High [Mark score on Bajaj Markets results in a soft credit](#) check which does not impact the score. This makes it easier for individuals to regularly access and

monitor their score without having to face any significant impact. Such frequent checks can help individuals understand their [credit status and plan for future loan](#) or credit card applications accordingly.

After checking the [credit score on Bajaj Markets](#), individuals can use the score to assess their eligibility for various credit products on the financial marketplace. They can get secured and unsecured [loans from over 45 leading loan providers in India](#). If required, they can choose a [credit card which suits their financial](#) needs from over 30 different options.

Individuals can also explore various investment and insurance [offers on the digital financial](#) marketplace. For this, they simply need to visit the [Bajaj Markets](#) website or download the official app from the Google Play Store or Apple App Store.
