Category: Business

written by International Khabar | September 23, 2026

Sleek Flat *Design*

boltt is bringing the boltt Evo to Flipkart's Big Billion Days at an Early Bird price of INR 8,999. The offer goes live at 12:00 AM midnight on September 24, 2026, exclusively on Flipkart, giving consumers the opportunity to get the smartphone at one of its most competitive price points.

boltt Evo Early Bird Sale

boltt Evo is powered by the UNISOC T7250 octa-core processor and comes with up to 6GB RAM and 128GB storage. For photography, it features a 50MP AI main camera, 2MP macro lens and 8MP front camera with Real Tone, supported by AI Portrait Mode, AI Night Mode and AI Selfie Enhancement.

It also packs a 6.79-inch 120Hz display and a 6000mAh battery, bringing together performance, smooth visuals and extended usage for everyday multitasking, entertainment and connectivity.

The boltt Evo will be available at the following prices during the sale:

4GB + 64GB | INR 8,999

6GB + 128GB | INR 9,999

With the highest rating, best specifications and best price in its segment, the boltt Evo brings together performance, features and value this Big Billion Days.

The boltt Evo is available exclusively on Flipkart as part of the Big Billion Days Early Bird sale from 12:00 AM midnight on September 24, 2026.
