

# Explore Top-tier Education and Scholarships at the Destination Dubai Expo

Category: Education

written by International Khabar | February 7, 2025

- Meet leading international universities from Dubai in Chennai, Hyderabad and Bengaluru
- Nearly 50% of all international students in Dubai's higher education institutions come from India

The **Destination Dubai Expo**, a premier education event bringing leading international universities based in Dubai to India, offering students an exclusive opportunity to explore top-tier education, scholarships, and career opportunities in one of the world's most dynamic cities.

An initiative of the Government of Dubai's **Knowledge and Human**

**Development [Authority](#)** (KHDA, this event will take place in Chennai on 9th February, Hyderabad on 12th February, and Bengaluru on 15th February. Students will have the chance to meet with representatives from world-renowned universities, learn about globally recognized degree programs, and discover how studying in Dubai can [shape their future](#) on the global stage.

The Destination Dubai Expo will feature an impressive lineup of international [universities who have fully accredited branch campuses](#) in Dubai, including Curtin University (Australia), University of Dubai, and University of Birmingham Dubai, De Montfort University, and Middlesex University from the UK. Top-ranking [Indian universities](#) with Dubai campuses such as Amity University Dubai, BITS Pilani Dubai Campus, and Manipal University Dubai will also be present.

These universities offer a wide array of programs across disciplines such as [business](#), engineering, healthcare, and technology, all leading to internationally recognized degrees. Students attending the [expo will have the opportunity to explore](#) scholarship options, admissions processes, and career development pathways.

**Dr Wafi Dawood is the CEO of Strategy & Planning, KHDA**

**Dr Wafi Dawood, CEO of Strategy and Planning Sector at KHDA** said, “Dubai has established itself as a world-class destination for higher [education](#), offering students access to globally recognized degrees, cutting-edge research, and future-focused learning opportunities. Nearly half of all international [students in Dubai’s higher education institutions come from India](#), which reflects the trust Indian families place in the quality and value of education in our city.

With our Education E33 strategy [driving innovation](#), economic growth, and a knowledge-based future, students in Dubai gain not just an education, but also the skills and networks to thrive in a rapidly evolving world. The safe and multicultural learning [environment](#), coupled with strong career prospects, make Dubai an ideal place to study, work, and succeed in a globally connected economy.

**R. Srividya, Business Strategist, Brand Grayscale, the organizers of the Destination Dubai Expo**, said, “Dubai offers an ideal study destination for Indian students due to its proximity, affordable living costs, and world-class [education](#) options. The city’s multicultural [environment](#), safe environs, and strong job prospects make it a secure and attractive place to live and study. Students also have the opportunity to gain valuable work experience through part-time jobs or internships, which add to their resume while helping them build a professional network. With a student-friendly visa policy, Dubai is fast becoming the go-to destination for students seeking a global [education](#) without the high cost of studying in other countries like the UK or the US.”

Dubai is becoming an increasingly popular choice for Indian students seeking higher [education](#) abroad. With its proximity to India, easy [travel](#), and cultural similarities, it’s a smooth transition for students. Dubai offers a multicultural

*experience, world-class universities, and plenty of career opportunities that will help students build a global future."*

The **Knowledge and Human Development Authority (KHDA)** plays a pivotal [role in shaping](#) the education sector in Dubai, ensuring that all participating universities meet rigorous global standards.
