- State-of-the-art campus at Keppel One Paramount to host 5,000 employees across key operations; Facility will serve as a center for innovation and collaboration

Guidehouse, a global advisory, technology, and managed services firm serving the commercial and public sectors, has opened a new 250,000 sq. ft. facility at Keppel One Paramount in Porur, Chennai. The new campus, designed for innovation and efficiency, reflects the firm's continued investment in India's skilled talent pool.

Guidehouse [Expands Chennai Footprint](#) with New 250k sq. ft. Facility

*"This is Guidehouses largest global office, built to our peoples and projects needs," said **Scott McIntyre, CEO of Guidehouse**. "We are excited about the opportunities and expertise our expanded footprint in Chennai will bring, further strengthening our global operations and supporting our long-term growth strategy."*

Designed to accommodate up to 5,000 employees across two shifts, the facility will support Guidehouse's global operations in healthcare, [financial services](#), technology, and corporate support functions. The inauguration marks a significant milestone in the firm's expansion journey in Chennai, one of Guidehouse's key global delivery centers.

Strategically located and spread across nine acres, the LEED Platinum-certified facility offers premium workspace and lifestyle amenities, including flexible workstations, wellness zones, green landscapes, and robust F&B options.

"This expansion represents a major step forward in

*Guidehouse's continued growth in Chennai, a vital hub in our global managed services delivery network," said **Mahendra Rawat, Partner and Country Head of Guidehouse India.** "This state-of-the-art facility, which will serve as a center for innovation and collaboration, reinforces our commitment to building a future-ready, people-first organization."*

Guidehouse is also partnering with local NGOs to support school infrastructure and environmental projects, as part of its commitment to sustainable, [inclusive development](#) in India.

Founded in 2018, Guidehouse has achieved five-fold growth to over \$3 billion and expansion into additional markets with more than 18,000 employees in over 50 locations around the world. Named to the 2024 Inc. 5000 list of the fastest-growing private companies in America, Guidehouse continues to build on its agility, capabilities, and scale with its integrated commercial and public sector [business](#) units and AI-led solutions.
