Highway Infrastructure Limited (“HIL”), a leading player in India’s infrastructure sector, announced its unaudited financial results for the quarter ended June 30, 2025 (Q1 FY 2025-26). The Company reported strong growth in both revenue and profitability, backed by higher traffic volumes, operational efficiencies, and new project wins.

Financial Performance – Strong Growth Momentum:

On a standalone basis, HIL delivered impressive growth across key financial metrics in Q1 FY 2025-26:

- Revenue from operations grew **38% year-on-year**, supported by strong toll collections and efficiency gains.
- Net profit after tax surged **128%**, highlighting the impact of higher operating leverage and effective cost management.

Particulars	Q1 FY 25-26 (Rs. Crores)	Q1 FY 24-25 (Rs. Crores)	% Change
Revenue from Operations	113.60	82.28	**38.06%**
EBITDA	106.23	80.51	**31.95%**
Net Profit after Tax	7.20	3.15	**128.26%**

Operational Highlights:

- **Traffic Growth & Efficiency Gains**: Performance was driven by increased traffic volumes and digital tolling solutions, which enhanced revenue realization and commuter convenience.
- **Expansion of Toll Operations**: Operations commenced at the Kiratpur Fee Plaza, Uttar Pradesh, with a contract value of Rs. 84.78 crores.
- **New Project Awarded**: An additional toll operation project worth Rs. 31.07 crores was awarded during the quarter, further strengthening HIL’s national presence.

Order Book & Growth Visibility:

- With these additions, HIL’s toll order book expanded by Rs. 115.85 crores in Q1 FY 2025-26.
- The new projects underscore the Company’s vision of building a robust portfolio with long-term growth visibility.
- Continued investment in automation, RFID, and ANPR-based toll collection positions HIL as a technology-led infrastructure company with scalable operations.

“Our focus remains on enhancing operational efficiency while expanding our project portfolio. The new toll projects are in line with our vision to be a leading player in the infrastructure sector and will add long-term value for all stakeholders. With strong momentum in both financial and operational performance, HIL is well-positioned to deliver sustained growth and shareholder value in the coming quarters,” Stated **Highway Infrastructure Limited in a statement.**

About Highway Infrastructure Limited:

Incorporated in 2006, **Highway Infrastructure Limited (HIL)** is engaged in the development and construction of infrastructure projects, including roads, highways, bridges, tollways, and buildings.

- Executed projects under PMAY, residential housing, schools, IT parks, and landmark infrastructure developments.
- Among the first toll operators in India to implement ANPR-based toll collection on the Delhi-Meerut Expressway.
- Currently manages toll operations across 11 states and one Union Territory.
- With an integrated EPC business and strong engineering capabilities, HIL provides end-to-end infrastructure solutions.
