The MICE India & Luxury Travel Congress (MILT) India's premier platform for MICE & luxury travel , returns for its 12th edition on July 24-25, 2025, at Taj Cidade de Goa Horizon

Sidh NC, Director of QnA International, said, *"India is one of the world's fastest-growing outbound travel markets, with 50 million travelers expected by 2030. As the global luxury travel market heads towards \$1.2 trillion by 2028, India is playing a key role in driving this growth. Spending on luxury and business travel in India is growing by 12-15% each year, with more demand for unique experiences, incentive trips, and executive retreats. 65% of Indian luxury travelers want more than just a trip-they want experiences that wow them, with 70% also looking for personalized, sustainable, and digital-first solutions. These exciting trends match the success we've seen at the MICE India & Luxury Travel Congress (MILT), which has grown stronger every year through successful collaborations and a packed agenda of expert-led education sessions. With Indian outbound travel up 50% year-on-year and the outbound MICE market set to reach US\$9 billion by 2025, MILT 2025 is set to build on these achievements and bring even more valuable connections and learning to the table."*
