New Korean Momo Range

Whether you're a K-drama fan, a K-pop stan, or just someone who loves bold flavours, this new offering is a flavour bomb you don't want to miss. The Korean Momo lineup includes:

- Veg Korean Momo
- Chicken Korean Momo
- Corn Cheese Korean Momo
- Chicken Cheese Korean Momo

Each momo is tossed in a fiery Korean-style sauce, garnished with sesame seeds, and served hot – making it the ultimate snack or meal companion for the food lovers.

Speaking on the launch, **Sagar Daryani, Co-founder and CEO of Wow! Momo Foods**, said, *"We're always looking to push the envelope when it comes to flavour innovation. With the Korean Momo, we've combined our Indian soul with global inspiration to create a product that's bold, edgy, and totally crave-worthy."*

Available across all Wow! Momo outlets and major delivery platforms like **Zomato, Swiggy**, and **WOW! Eats App**, the Korean Momo promises to spice up your day, one bite at a time.
