Netaji Subhas University, formerly known as Netaji Subhas Institute of Business Management, is a prestigious private university located in Pokhari, on the outskirts of Jamshedpur, Jharkhand, India. With its rich history and commitment to excellence, the university has become a beacon of education in the region.

Approved by the Jharkhand cabinet on 18th July 2018, the establishment of Netaji Subhas University was swiftly followed by the passing of the Bill on 21st July. This significant milestone paved the way for the formal establishment of the university in September 2018 under the Netaji Subhas University Act, 2018. The university's grand inauguration took place in October 2018, marking a new era of educational opportunities in the region.

Netaji Subhas University is the second private university in

the Kolhan division, following in the footsteps of **Arka Jain University**. This distinction highlights the growing emphasis on higher education and the recognition of the region as a hub for academic excellence.

Empowering Education

Netaji Subhas University is committed to providing a transformative learning experience that empowers students to excel in their chosen fields. The university offers a wide range of undergraduate and postgraduate programs across various disciplines, ensuring that students have ample opportunities to pursue their passions and interests.

With a team of highly qualified and experienced faculty members, the university fosters an environment of academic rigor and intellectual growth. The faculty members are not only experts in their respective fields but also dedicated mentors who guide and support students throughout their educational journey.

Netaji Subhas University believes in holistic development and encourages students to engage in extracurricular activities alongside their academic pursuits. The university provides state-of-the-art facilities and resources, including modern classrooms, well-equipped laboratories, a comprehensive library, and sports facilities, to support students in their overall growth and development.

Community Engagement

Netaji Subhas University recognizes the importance of community engagement and strives to make a positive impact in the region. The university actively collaborates with local organizations, industries, and government bodies to create opportunities for students to gain practical experience and contribute to the community.

Through internships, industry visits, and guest lectures, students at Netaji Subhas University are exposed to real-world scenarios and develop the skills and knowledge required to thrive in their chosen professions. The university also organizes various community outreach programs and social initiatives, encouraging students to actively participate in social welfare activities and give back to society.

Research and Innovation

Netaji Subhas University is dedicated to promoting research and innovation as integral components of its academic culture. The university encourages faculty members and students to undertake research projects that address societal challenges and contribute to the advancement of knowledge.

By fostering a research-oriented environment, Netaji Subhas University aims to nurture critical thinking, problem-solving skills, and creativity among its students. The university also provides support and resources for research scholars to pursue their doctoral studies and make significant contributions to their respective fields.
