

Nureca Limited Expands Quick Commerce Reach with Dr Trust Products Now Available on Swiggy Instamart

Category: Business

written by International Khabar | April 29, 2025

Nureca Limited (NSE: NURECA), a leading player in India's health and wellness sector, is proud to announce that its flagship brand Dr Trust is now available on Swiggy Instamart, enabling ultra-fast doorstep delivery of essential healthcare products.

This launch further strengthens Nureca's growing presence in the quick commerce ecosystem. Dr Trust products are already available on **Blinkit** and **Zepto**, and are now accessible across all major instant delivery platforms in India.

Consumers can now instantly order a wide range of [Dr Trust's](#) trusted and best-selling products on Swiggy Instamart, including:

- **Digital Weighing Scales & Body Fat Analyzers**
- **BP Monitors, Thermometers & Oximeters**
- **Massage Guns & Body Massagers**
- **Nebulizers & Glucose Monitoring Strips**
- **Facial Steamers & Room Humidifiers**
- **Orthopedic and Menstrual Heat Belts**

Aryan Goyal, CEO of Nureca Limited, said, "At Nureca, we are

obsessed with making healthcare frictionless. Today's consumers expect trusted solutions to be just a tap away – and with Swiggy Instamart, Blinkit, and Zepto, we're delivering on that promise. This is not just about speed – it's about [meeting urgent health needs](#) with reliability, quality, and convenience. We're excited to lead the healthcare category in the quick commerce revolution.”

Nureca's multi-platform approach ensures that Dr Trust products are readily available wherever and whenever consumers need them – within minutes – backed by the assurance of medical-grade quality and customer trust.
