Laundry needs change with family size, the number of weekly loads, and the types of clothes that need regular care. Panasonic washing machines address these different requirements with fully automatic top-load and front-load options designed for convenient everyday washing. The 2026 range spans 6.5 kg to 10 kg capacities and includes features such as MirAIe connectivity, built-in heaters, StainMaster+, Gentle Kizukai Wash, and dedicated wash programmes. With prices from Rs. 23,500 to Rs. 50,500, households can choose a model that fits their laundry routine, preferred wash type,

and budget.

Top 5 Panasonic washing machines with latest features in 2026

From AI-powered connectivity to built-in heaters and gentle fabric care, these five Panasonic washing machines cover a

range of household sizes and laundry needs.

Panasonic NA-F65LF3CRB

Price: Rs. 23,500 | **Capacity:** 6.5 kg | **Type:** Fully Automatic Top Load

Why it works: A practical entry into Panasonic's fully automatic range, this model suits couples and small households. Its 5 Star rating supports lower electricity consumption, while Active Foam Wash improves detergent penetration for effective stain removal. Drynamic Spin removes more water after washing to reduce drying time, and 12 wash programmes cover everyday fabrics and delicates.

Panasonic NA-F70CH4CRB

Price: Rs. 24,500 | **Capacity:** 7 kg | **Type:** Fully Automatic Top Load

Why it works: This model adds a built-in heater for hot water washing, StainMaster+ for stain treatment, and MirAIe connectivity for smartphone control. Fifteen wash programmes provide flexibility across fabrics, while the 5 Star rating and 7 kg capacity make it suitable for small families.

Pro tip: MirAIe allows users to schedule washes remotely and receive maintenance alerts, making it worth setting up from the start.

Panasonic NA-F80CH4CRB

Price: Rs. 27,400 | **Capacity:** 8 kg | **Type:** Fully Automatic Top Load

Why it works: This 8 kg model combines a built-in heater, StainMaster+, MirAIe, and Drynamic Spin. The larger drum

accommodates towels, bedsheets, and regular family loads, while the 5 Star rating supports efficient daily use. It is a practical choice for families of three to four seeking smart connectivity and hot water washing.

Panasonic NA-F100VF1CB

Price: Rs. 41,400 | **Capacity:** 10 kg | **Type:** Fully Automatic Top Load

Why it works: Designed for larger households, this model combines a 10 kg drum with Gentle Kizukai Wash for fabric care. Drynamic Spin reduces residual water to shorten drying time, while 15 wash programmes handle varied laundry requirements. A 5 Star rating adds energy efficiency for households running frequent, heavy loads.

Panasonic NA-149MR2L01

Price: Rs. 50,500 | **Capacity:** 9 kg | **Type:** Fully Automatic Front Load

Why it works: This front loader combines efficient washing with Panasonic's Gentle Kizukai Wash Lite for fabric care. Quick 15 handles lightly soiled clothes in 15 minutes, while Baby Care provides a dedicated programme for infant clothing. MirAIe enables remote monitoring and scheduling, and the 5 Star rating supports efficient regular use.
