Leveraging over 100 years of bp's fuel research experience, Jio-bp's high-performance [fuels](#) with ACTIVE Technology have been developed by testing Indian Original Equipment Manufacturer's engines with Indian Fuel over thousands of Kms under the intense scrutiny of expert technologists at globally acclaimed R&D centers in United Kingdom and Germany. Diesel at Jio-bp with ACTIVE [technology](#) offers an incremental mileage benefit of up to 4.3%*, and petrol at Jio-bp with ACTIVE technology helps keep critical engine parts up to 10 times cleaner*.

High-performance fuels at Jio-bp work across all types of commercial and private vehicles alongside non-transport segment, helping to reduce engine wear & tear, to improve fuel [economy](#) & to lower need for unscheduled maintenance due to dirt congestion in engine parts. Powered by ACTIVE [Technology](#), high-performance fuels at Jio-bp prevent harmful dirt accumulation, ensuring superior engine performance and better fuel efficiency while also extending lifespan of critical engine parts.

To help the country see this ACTIVE Technology “live” in action, Jio-bp [unveiled the innovative](#) Split Fuel Car at India

Energy Week 2025 in New Delhi. Split Fuel Car has clearly demarcated two fuel tanks [powering the different halves of the vehicle's 6-cylinder engine](#). It is a transparent showcasing of how high-performance petrol at Jio-bp with ACTIVE Technology and ordinary petrol operate differently. With borescope imaging (used in medical field for looking inside human body), the exhibit showed higher deposits building up on critical engine components for ordinary petrol which would inevitably [lead to lower fuel efficiency](#). Given the engine is running in the same car under same conditions, this is testimony to the benefit of [operating with ACTIVE Technology powered](#) fuels.

True to Jio-bp's commitment of delivering "More" for India, Jio-bp is leveraging Reliance [Industries Limited's](#) fuel supply chain, to democratize high-performance fuels. These fuels are available as the base [offering at over 1875 country-wide Jio-bp mobility](#) stations at no extra cost to customers.
