The award is a significant recognition of the school's consistent focus on high academic standards and student-centered learning. The selection criteria for this award include innovation in teaching practices, consistency in academic outcomes, student achievements, and the school's positive impact on transforming learning communities-underscoring the effort and commitment it takes to earn such recognition.

On this occasion, **Ms. Hema Sanjay, Principal of Sancta Maria [International School](#)**, shared her joy and pride, saying *"This award is more than a recognition-it's a celebration of every students dream, every teachers tireless effort, and every parents unwavering belief in us. It's a testament to the [power of community](#), commitment, and courage. Together with our parents, we deliver what we promise to our students-excellence in all things: In Omnia Excellentia. Our hearts are full, our vision is clear, and our journey of empowering young minds has only just begun!"*

Sancta Maria's teaching approach focuses on building strong academic foundations through a balanced curriculum that includes science, mathematics, humanities, languages, and the arts. With real-world exposure through global exchange programmes and future-ready pathways, [the school ensures that every student is](#) prepared not just for exams, but for life. Students have earned recognition through Cambridge Outstanding Learner Awards and secured admissions to top [global and Indian universities](#).

On this proud occasion, **Ms. Sreelatha, Head of Middle School**, shared her thoughts, *"This award is a testament to the innovative spirit that drives our teaching and learning every day. At Sancta Maria, we encourage our teachers to embrace creativity and meaningful practices, ensuring that every learner finds joy and meaning in their learning journey. It celebrates not just outcomes, but the growth, curiosity, and resilience we nurture in our classrooms."*

Echoing this sentiment, **Ms. Vaishali, Head of High School**, added, *"We are truly proud of this recognition, as it highlights our commitment to professional excellence and continuous growth. Our teachers are lifelong learners who constantly evolve to [meet the needs](#) of our students. This award reflects our shared mission-to empower every student to discover their strengths, embrace challenges, and step confidently into the future."*

Key contributors to this success include the school's structured learning programmes, active participation in International Schools Partnership (ISP) exchange initiatives, and a strong emphasis on preparing [students for both higher education and real-world careers](#). Sancta Maria continues to nurture well-rounded learners who grow with confidence, responsibility, and a future-ready mindset.
