AiroElevate, AiroQuad, AiroGeometry & AiroJewel and 2 new Smart models: AiroGeometry Smart and AiroJewel Smart which are powered by Wiz; Signify's IoT platform.

Bling in the Breeze with EcoLink Fans

The innovative product line combines [advanced technology](#) with superior performance, offering consumers a breath of fresh air in any space. With a MRP range of INR 5850/- to INR 8700/-, the product line includes 4 new innovative models – AiroElevate, AiroQuad, AiroGeometry, AiroJewel, all designed to provide superior air delivery, efficient performance, and significant energy savings.

Elevate your cool with EcoLink Fans

Commenting on the power packed launch **Sumit Joshi, MD & CEO, Signify, Greater [India](#)**, said, "At Signify, we are dedicated to redefining innovation and design to enhance everyday living. We are thrilled to introduce our powerful new range of Ecolink fans, designed to [meet the evolving needs](#) of consumers. Through extensive research, we have developed a lineup that

seamlessly integrates cutting-edge technology with energy efficiency. With models like AiroElevate, AiroQuad, AiroGeometry, and AiroJewel, we have incorporated unique features such as designer LED speed indicators, BLDC technology, RF remote technology and a ceiling adjustable mounting mechanism that maintains the design aesthetic post installation. We are confident that this revolutionary range will [set a new benchmark](#) in the premium fans category.

C Arun Kumar, Head of Consumer [Business](#), Signify Greater India, said, “Our new range has been meticulously designed to maximize energy efficiency, helping consumers reduce power consumption leading to lower electricity bills. This range transforms the way ceiling fans are perceived, offering revolutionary designs and powerful performance that elevates any space. Whether it’s the hollow hub design of AiroElevate, the futuristic square hub design of AiroQuad, the geometric precision of AiroGeometry, or the luxurious finish of AiroJewel, each model is crafted to align with evolving consumer preferences. With this launch, we reinforce our commitment to delivering innovative designs, quality, performance, and stylish home comfort solutions.”
