Streax, a hair colour brand from Hygienic Research Institute Pvt. Ltd. (HRIPL), known for its innovation and contemporary styling products, is revolutionizing the market with the **launch of the Streax Gel Hair Colour**. This game-changing product is set to elevate the hair colouring experience, offering a high-performance upgrade to traditional hair colours. With cutting-edge [technology](#), Streax Gel Hair Colour delivers flawless grey coverage and an elevated shine that transforms every strand into a radiant statement.

Streax Gel Hair Colour is crafted with advanced ingredients to [deliver an elevated experience](#). Infused with hyaluronic and silicone actives, it locks in moisture, reduces frizz, and creates a protective barrier, ensuring long-lasting colour vibrancy and intense gloss. Enriched with kiwi fruit extracts containing 2X the Vitamin C of lemons and essential Vitamins C, E, and K, the formula [strengthens the hair](#) shaft, smoothes the cuticle, and leaves hair with a radiant finish. This powerful combination provides brilliant grey coverage while revitalizing dull hair, making it a must-have for anyone seeking a premium hair colouring solution.

Dheeraj Arora, [Managing Director](#) and CEO of HRIPL shared, “At Streax, innovation is at the core of everything we do. We are a fashion-forward brand, known for delivering contemporary products that help [women](#) stand out and get noticed. With the launch of Streax Gel Hair Colour, we continue this legacy by [offering consumers an elevated experience](#) that redefines what hair colour can achieve-elevating grey coverage into a high-performance, high-shine transformation.

Streax Gel Hair Colour stands as the ultimate [choice](#) for modern women who wish to go beyond the basics, looking for exceptional performance and a luxurious experience in their beauty routines. With its [cutting-edge technology](#), the product ensures that every application delivers the best of nourishment and shine for a truly elevated outcome.

Priyanka [Puri](#), Senior Vice President – Marketing at HRIPL, added, “With its cutting-edge formulation and high-performance results, Streak Gel Hair Colour redefines what exceptional hair colour can be-delivering an elevated product and an equally elevated experience that goes beyond ordinary expectations. Streak Gel Hair Colour is designed for women who want more-more [shine](#), more vibrancy, and more brilliance. With the benefits of hyaluronic actives and kiwi extracts, we’ve crafted a [product that truly meets the needs of today’s discerning consumers](#), delivering not only stunning hair colour but also an experience that feels indulgent.

Streak Gel Hair Colour is now available in [convenient](#) sachets (24 ML, 40 ML) and cartons (60 ML, 120 ML) in four stunning shades: Natural Black, Natural Brown, Dark Brown, and Burgundy. Available nationwide, including key cities like Mumbai, Delhi, Pune, Lucknow, Kolkata, and Punjab, it can also be found on [leading e-commerce platforms](#) like Amazon, Flipkart, Myntra, and Nykaa. Streak Gel Hair Colour is [set to redefine](#) hair colouring, offering a solution that not only covers greys but also adds shine and vitality, transforming hair beautifully.
