Target Learning Ventures Continues to Host Maharashtra State Board Results on Their Website

It's worth noting that Target Learning Ventures is the first publisher to collaborate with the Maharashtra Board to provide students with an additional platform for obtaining their results. Last year, Target Learning Ventures demonstrated its robust capabilities by enabling over 2Lakh HSC students to check their results in an impressive 0.04 seconds. Furthermore, over 3Lakh SSC students successfully viewed their results on the Target Learning Ventures platform.

The HSC board theory exams for this year took place from February 11, 2025, and 15 Lakh students participated in the board exam. On the other hand, over 16 Lakh students from across the state appeared for the SSC board exam that was held from February 21, 2025. The board officials are scheduled to release the HSC results on their official websites,

mahahsscboard.in and mahresult.nic.in. Additionally, students can also access their results through the Target Learning Ventures Pvt. Ltd. website, which is <https://results.targetpublications.org>.

*"Target Learning Ventures has always been at the forefront of educational innovation, and our proactive approach is once again demonstrated by our collaboration with the Maharashtra State Board," stated **Dilip Gangaramani, Founder Director & CEO of Target Learning Ventures Pvt. Ltd.** "By offering a seamless platform for accessing board exam results, we not only easing the immediate pressure on the state boards website but also providing students with the instant access they deserve. This initiative underscores our commitment to leveraging technology for student empowerment, and we thank the Maharashtra State Board for recognizing our innovative capabilities and entrusting us with this crucial task."*
