The Indian Garage Co. (TIGC), India's leading homegrown fast-fashion brand, entered the offline retail market with the launch of its first Exclusive Brand Outlet (EBO) on Brigade Road, Bengaluru, a prime destination for high-street fashion. Sensational Cricketer & Brand Ambassador Suryakumar Yadav (SKY) inaugurated the EBO on October 13th, 2024. The event was a resounding success, drawing a large, enthusiastic crowd and transforming the area into a vibrant hub of excitement for Bengaluru's fashion enthusiasts.

Indian Garage Co., at the [exclusive launch](#) of the brands first EBO store in Bengaluru

TIGC has allocated 20% of its budget to the expansion of its offline [retail](#) operations, with a strategic focus on growing the EBO segment. The [company aims for EBO sales](#) to contribute 30% of total revenue within the next 3-5 years. The company has signed five more stores [across various cities](#) and is focused on creating an army of young fashion entrepreneurs. TIGC plans to expand to 100 stores across [India](#) in the next 3-5 years.

Spanning 3,800 square feet, the new store [offers a shopping experience](#) designed to elevate fashion retail in one of Bengaluru's premier high-street markets. The store's design emphasises a modern and enhanced [shopping](#) environment, featuring sleek, interactive displays and a comfortable ambiance. Meticulously crafted to provide an immersive and engaging experience, the store also includes a visually appealing space where [fashion](#) meets aesthetics, allowing customers to capture their experience while exploring the latest trends.

Speaking at the store launch, **Anant Tanted, Founder & CEO, The Indian Garage Company**, said, "*The Indian Garage Co. is [paving the way](#) for a strong growth trajectory targeting Rs. 1,500 crore GMV in the next five years. We are [introducing our immersive brand experience to customers](#) through our first Exclusive Brand Outlet (EBO) in Bengaluru, with plans to open 10-15 more stores across the country within the next six months. Moving beyond retail expansion across India, the company is strategically entering the [e-commerce](#) space into international markets.*

The Indian Garage Co. is dedicated to style, quality, affordability, and accessibility, which has always been central to our brand. With the integration of both online and upcoming offline channels, TIGC aims to maximize [convenience](#),

accessibility, and customer engagement. The [Indian Garage Co. showcases](#) an extensive collection of the latest fashion styles. The brand differentiates itself by [launching over 100 new styles](#) every week and maintaining a portfolio of nearly 6500 SKUs.

Alka Dembla, Head of Retail at TIGC, stated, “In today’s dynamic marketplace, TIGC has emerged as a [leading brand](#), driven by its expanding footprint across Direct-to-Consumer (D2C) channels and major e-commerce platforms. Our Exclusive Brand Outlets (EBOs) are crafted to [deliver a unique and immersive customer experience](#), and we are excited to continue expanding our presence. By leveraging cutting-edge [technology](#), we aim to deepen our understanding of consumer behaviour and streamline inventory management. Each store will be thoughtfully tailored to [reflect](#) the preferences and needs of the local community it serves.”

The store features an exclusive [collection available only for the EBO launch](#), offering customers a unique opportunity to explore the latest fashion trends-such as Street Korean, Anime Collection, Bohemian Resort, and Dark Character-before they are available online. The brand showcases age-neutral fashion, catering to all [life](#) stages, ensuring something stylish for everyone.

To commemorate the launch, TIGC [planned a series of exciting promotions and offers](#) for customers during the opening week. The brand is also incorporating several community-building activities as part of the [celebration](#). TIGC products are available online via its official website, [TIGC.in](#), as well as on major e-commerce platforms such as Myntra, Ajio, Amazon, Flipkart, and Meesho. The brand also has a presence in approximately 100 Fashion Factory stores across [India](#).

About The Indian Garage Co.

Established in 2012 by Anant Tanted, The [Indian Garage Company](#)

is an asset-light, EBITDA-positive D2C firm that has grown into a 400-crore enterprise with a rapid growth trajectory. The [brand targets 1500 Cr GMV in the next five years](#). TMRW, an ecommerce rollup venture owned by the Aditya Birla Group, invested Rs 155 crore in The [Indian Garage Co last year](#).

Operating under the [House of Brands](#) format, the company boasts three brands under its umbrella: TIGC (menswear), FreeHand (womenswear) & HardSoda (plus-size menswear). As a company focused on Gen Z consumers, The Indian Garage Co. has evolved into a tech-enabled, digital-first firm, promising its customers [access to global](#) fashion trends at an unprecedented pace.

Due to the [growing acceptance and popularity](#) of TIGC products, the company intends to diversify its offerings and introduce additional categories under its umbrella.
