

Timezone and Play 'N' Learn Unveil the Ultimate Fun Destination for All Ages at Pacific Mall, Delhi

Category: Business

written by International Khabar | August 19, 2026

Timezone and **Play 'N' Learn** have relaunched their entertainment spaces together at Pacific Mall, Delhi, unveiling a refreshed line-up of experiences for families, friends and guests across age groups.

Play 'N' Learn and Timezone Store

Designed as an all-in-one entertainment destination, the revamped venue brings together two complementary experiences under one roof. Guests can enjoy games, rides and immersive attractions at Timezone, alongside development-led play for young children at Play 'N' Learn, offering something for every member of the family.

Timezone offers older children, young adults and families a mix of popular favourites and new attractions, including bumper cars, a cricket pitch, immersive virtual reality rides and revamped bowling lanes. At Play 'N' Learn, children aged two to seven can explore thoughtfully curated play and role play stations that encourage creativity, cognitive development and social interaction.

Dedicated party spaces across both brands make the destination ideal for birthdays, school outings, family celebrations and social gatherings. The venue also features its popular café, serving a curated selection of food prepared without added preservatives or artificial additives. Together, these offerings give guests more ways to play, connect, dine, celebrate and spend quality time together.

Speaking about the relaunch, **Abbas Jabalpurwala, CEO of Timezone and Play 'N' Learn India**, said, *"The way people spend their leisure time is evolving, with entertainment becoming an increasingly an important part of how they connect and unwind. People are looking for experiences where they can step away from their everyday routines and have fun, while also having something that appeals to every member of the family. With the refreshed Timezone and Play 'N' Learn at Pacific Mall, our aim is to bring two complementary entertainment destinations together under one roof. From immersive attractions to older*

guests and purposeful play for younger children to celebrations with family and friends, there is something for everyone to enjoy."

The destination maintains a strong emphasis on safety, hygiene and well-maintained facilities, ensuring guests enjoy the experience in a clean and comfortable environment.

With the relaunch, Timezone and Play 'N' Learn invite guests of all ages to discover the ultimate fun destination at Pacific Mall, Delhi.
