Ahmedabad, India – In the bustling financial corridors of Gujarat’s financial capital, a new name is gaining prominence for its comprehensive and client-centric approach to financial services across the country. The company has footprints across the major cities of India.

Tre Sessanta Financial Services Private Limited, promoted by Jignesh Shah & his team is rapidly emerging as a trusted one-stop destination for various loans, high return yielding

client specific investments solutions, and equity broking services.

Jignesh Shah, a distinguished professional with a Master's in Business Administration, has further honed his leadership skills through the Aon Hewitt Leadership Program and the Management Development Program (MDP) from IIM Calcutta. With over three decades of experience, he has consistently demonstrated strategic vision and operational excellence. His expertise in business development, process optimization, and leadership has been instrumental in driving growth and innovation in highly competitive industries.

With a mission to simplify finance for individuals, SMEs, and large enterprises, Tre Sessanta is redefining how Indians access and manage their financial lives.

A Robust Lending Ecosystem

At the heart of Tre Sessanta's operations is its thriving loan distribution business. The company has built a powerful network of tie ups with all major banks, NBFCs, and fintech companies, enabling it to offer a wide variety of secured and unsecured loan products tailored to diverse financial needs.

Retail Loan Offerings Include:

– Home Loans for first-time buyers, balance transfers, loan against property, and lease rental discounting for existing home owners.

– Personal Loans for lifestyle, travel, or emergencies

– Vehicle Loans for both personal and commercial use

– Education Loans for higher studies in India and abroad

On the commercial side, Tre Sessanta has developed deep expertise in SME and large enterprise financing, including CGTMSE-backed loans, which provide collateral-free credit to

small businesses under a government initiative. The company's ability to structure customized loan solutions has made it a preferred partner for entrepreneurs and corporate borrowers alike.

Wealth Management with a Modern Edge

Beyond lending, Tre Sessanta has established itself as a trusted name in wealth management, offering a curated portfolio of investment products for both conservative savers and growth-oriented investors.

Investment Products Include:

– Fixed Deposits and Corporate FDs

– Bonds and Non-Convertible Debentures (NCDs)

– Market-Linked Debentures (MLDs)

– Mutual Funds, distributed under ARN 331296

The company has strategic alliances with top-tier platforms such as Choice Wealth, Centricity Wealth tech, Nuvama, and Kotak Securities, giving clients access to a wide range of mutual fund schemes across asset classes. The client gets personalized guidance to build diversified portfolios aligned with their financial goals.

Tre Sessanta

[Insurance That Protects](#) What Matters

Recognizing the importance of financial protection, Tre Sessanta has partnered with PB Partners, a brand of Policy Bazaar & Kotak Securities. The companies offer a comprehensive suite of insurance solutions for retail and business alike.

Equity Broking and Pre-IPO Investment Opportunities

In response to growing interest in capital markets, Tre Sessanta has expanded into equity broking through a tie-up with Choice Equity. Clients can open Demat and trading accounts, access real-time market data, and invest in a wide range of financial instruments.

What truly sets Tre Sessanta apart is its access to Pre-IPO shares, offered through partnerships with multiple platforms. These opportunities allow clients to invest in high-growth companies before they go public—an increasingly popular strategy among savvy investors.

Strategic Partnerships: The Backbone of Service Excellence

Tre Sessanta’s ability to offer such a wide array of financial products is made possible through its extensive network of institutional partnerships:
