

TREVOC Group Appoints RICPL as Construction Partner for its Ultra-Luxury Residences in Gurugram

Category: Business

written by International Khabar | February 13, 2025

TREVOC Group, a leading luxury real estate developer, today announced a strategic partnership with Ramacivil India Construction Private Limited (RICPL) for the construction of its ultra-luxury project, TREVOC Royal Residences, in Sector-56, Golf Course Road, Gurugram. The project marks a synergy between TREVOC's vision for fine living and RICPL's five-decade expertise in delivering iconic infrastructure projects globally.

Collaboration with RICPL for Gurugram Project

"TREVOC Royal Residences is designed to raise the bar of luxury living in Gurugram, blending cutting-edge design with unmatched exclusivity. Partnering with RICPL, a name synonymous with engineering excellence, ensures that our vision is executed to perfection. Their proven track record in delivering large-scale quality projects aligns seamlessly with our commitment to quality and innovation," says Mr. Gurpal Singh Chawla, Managing Director, TREVOC Group.

"We are honoured to collaborate with TREVOC on this prestigious project. TREVOC Royal Residences represents a new benchmark in luxury residential spaces, and our team is committed to leveraging our technical prowess and pan-India experience to deliver something truly extraordinary. This partnership reinforces our position as leaders in transforming architectural visions into reality," Mr. Praveen Gupta, Managing Director, RICPL.
