Why is a gold loan a popular financial tool

People in India often have gold savings passed down across generations. A gold loan allows them to turn idle gold into active capital, without selling or parting with the ornaments.

Here are some reasons why [gold loan in Nellore](#) is becoming a popular financial choice:

- **High-value loans up to Rs. 2 crore** – Customers can get access to funds starting from Rs. 5,000 to Rs. 2 crore, depending on the purity and weight of their gold jewellery. This makes it a reliable option for managing high-value expenses like [medical](#) treatment, education, or travel.

- **Competitive interest rates** – Bajaj Finance offers competitive rates of interest, which are generally lower than those of unsecured loans. This helps customers keep their borrowing costs under control.
- **Multiple repayment options** – Borrowers can choose repayment tenures ranging from 1 day to 12 months and select from various repayment modes such as monthly, bi-monthly, quarterly, half-yearly or annual interest payments. Any pending interest or principal due for payment by the end of the term.
- **Funds for planned and emergency needs** – Whether it is an urgent medical situation, educational fees, or a long-awaited family function, customers can use the loan amount as per their financial priorities.
- **24x7 secured gold storage** – The pledged gold is covered under free insurance of gold and stored safely in highly secure, surveillance-enabled vaults, ensuring complete peace of mind until the loan is repaid.

Understanding the gold rate and its impact

The [gold loan in Maharashtra](#), like in any other city in India, plays a key role in how much loan a borrower can get. The higher the gold price per gram, the higher the loan amount offered. Bajaj Finance calculates the gold loan eligibility based on the prevailing gold rate, weight of the jewellery, and purity of the gold pledged.

Using the Bajaj Finserv Gold Loan Calculator, one can check the expected loan amount in just a few clicks. This helps in planning better and borrowing responsibly.
