

Upgrade Your Home This Dussehra – Explore Appliances for Every Need

Category: Business

written by International Khabar | October 1, 2025

Dussehra is not just a festival that marks the victory of good over evil – it is also considered an auspicious time to bring positivity and good fortune into our lives. Many families take this opportunity to refresh their homes and invest in new home essentials. From smart washing machines and energy-saving refrigerators to the latest smart TVs and air conditioners, shoppers have plenty of choices to elevate everyday living.

Upgrade Your Home This Dussehra – Explore Appliances for Every Need

Bajaj Finserv ensures that upgrading your home is light on the pocket. Customers can choose from a wide range of electronics and appliances at any of Bajaj Finserv's 1.5 lakh+ partner stores across 4,000 cities in India. They can opt for the [Bajaj Finserv Easy EMI Loan](#) of up to Rs. 5 lakh, which spreads the cost into small, manageable monthly payments. On select products, zero down payment is also available, so customers can take home their appliance without paying anything upfront.

What makes this even better is the ongoing Blockbuster EMI Days, running from 15th September to 31st October 2025, let customers enjoy attractive discounts and choose from over 50 EMI schemes, making Dussehra shopping easier, smarter, and more rewarding.

Home essentials that bring comfort and convenience to every household

Bajaj Finserv partner stores offer a wide range of home appliances to meet the needs of every family. From essential everyday items to smart, energy-saving gadgets, there is

something for everyone. These appliances are designed to make life easier, save time, and bring comfort to every home this Dussehra.

- **Washing machines:** Choose from top-load or front-load models that make laundry faster and more efficient. Many models come with energy-saving features, multiple wash programs, and user-friendly controls, helping families save both time and electricity.
- **Refrigerators:** Available in single-door, double-door, and side-by-side designs, these fridges keep food fresh longer. Energy-efficient models reduce electricity bills while ensuring enough space for festive treats and daily essentials.
- **Air conditioners:** Stay cool and comfortable throughout the year with split, inverter, or window ACs. These units are designed for efficiency, quiet operation, and easy maintenance, perfect for beating the summer heat.
- **Smart televisions:** Upgrade home entertainment with HD and 4K smart TVs. They offer vivid picture quality, smart connectivity, and easy access to streaming platforms, making family movie nights more enjoyable.
- **Microwaves and small appliances:** From microwaves to mixers and juicers, these appliances simplify cooking and meal preparation. Fast, convenient, and easy to use, they save time in the kitchen while helping create delicious festive dishes.
