Startupology by Vivek Chadha

Startupology is a hands-on guide forged from Vivek's 20-year journey of launching, scaling, and advising startups across different verticals. Known for founding AccelerateX Ventures and scaling LinkedIn Local India into a national movement, Vivek has mentored over 100 startup founders, offering actionable strategies focused on [sustainable growth](#) from day one.

The launch announcement has been shared across multiple [startup networks](#), founder communities, and investor circles, with early readers calling it a 'must-have reference' and a 'clarity-building tool' for entrepreneurs at every stage.

Speaking about the release, **Vivek Chadha** stated, "*Startupology is the culmination of everything I have learned from building companies, backing founders, and being in rooms where real decisions shape real outcomes. Over the years, I've noticed*

that while ambition is abundant, clarity is rare. This book is my attempt to bring clarity, through tested frameworks, hard-earned insights, and strategic thinking that enables founders to move with intent. From ideation to execution for first time founders, this book is designed to be a practical companion, a reference when refining your model, aligning your team, or making high-stakes decisions. It's about building with intent, scaling responsibly, and creating [businesses](#) that stand the test of time.

In Startupology, Vivek guides readers through building from scratch, finding the right revenue levers early, and adapting go-to-market strategies in dynamic conditions. Positioned as a go-to manual for first-time founders and a powerful refresher for seasoned entrepreneurs, the book is set to become a staple for anyone serious about building long-term value in the startup world.
